THERE'S NOTHING LIGHT ABOUT ITS **CORRECTION**

Custom fabricated so patients achieve a perfect fit every time.

Backed by our 60-day Pain Relief Guarantee.

EASY 1—2—3 APPLICATION

Simple design. Low profile 13" length easily fits under clothing.

Quick-Release buckles for a better fit with less effort.

Unique pneumatic adjustable pad gently increases correction for desired pain relief and comfort.

POWERFUL PAIN RELIEF

Applies the principles of our proven *Dynamic Control Technology*.

Center-Pull innovation eliminates peak pressure points.

Provides the greatest relief in full extension and relaxes in flexion.

Ease of Application and Powerful Pain Relief are combined to Increase Patient Compliance.

INCREASED COMPLIANCE

Braces are only as good as they fit and feel.

Unique strapping system prevents skin irritation and brace migration.

Lightweight *Magnesium* material and streamlined design.
